

Capel Manor College

Animal Keeper

Job Description & Person Specification

JOB DESCRIPTION & PERSON SPECIFICATION

JOB DESCRIPTION

Post	Animal Keeper
Scale	Business and Learning Support
Grade	Scale 3 Point 14
Responsible to	Head Animal Keeper
Location	Mottingham
Contract	Full-time, Permanent

Key Responsibilities:

The key responsibility of the Animal Keeper is to adhere and implement the highest industry standards of animal husbandry and welfare. They will work safely, responsibly and efficiently around animals, within a team or independently. They will be responsible for observing the behaviour, health and security of animals and reporting any problems to line managers. They will support and implement animal training on a regular basis. They must organise the provision and availability of equipment, animals and facilities required for learning sessions. They will collaborate efficiently with teaching teams, learners, and the public. They will exhibit exceptional communication and demonstration skills to provide expert interactive sessions to the public at weekends and during events, either on site or in outreach. It is an essential element of the job role to carry out hands-on husbandry as needed, including over weekends and holidays, where required.

Responsibilities:

1. Provide the day-to-day routine care of the College's animal stock to include cleaning out of accommodation and other relevant designated areas, provision of feed, water, bedding, nesting material, and daily health checks
2. Maintaining any animal-related records
3. Taking stock, including ordering of feeds and other resources
4. Administering treatments to animals and carrying out preventative care procedures as appropriate
5. Completing detailed records relating to routine animal care, reporting any abnormalities or problems to Line Manager as appropriate
6. Liaising with members of the teaching team or other departments to co-ordinate demonstration sessions
7. Ensuring ambitious standards of hygiene and cleanliness in all animal areas and associated storage and service areas
8. Disposing of all waste from the animal areas in a correct and approved manner
9. Exercising, training, and handling of animal stock as appropriate and required
10. Maintain general gardening duties within animal areas
11. Ensuring that all requirements and regulations relating to health and safety are always adhered to, including by learners and other staff members
12. Liaising internally with other staff as appropriate regarding animal activities and co-operating with them to maintain continuity of care during weekends and holidays
13. Supervising of students allocated to practical projects and providing of technical assistance and advice when required
14. Recruiting, training, and supervising volunteers for carrying out animal husbandry and ensuring animal welfare
15. Ensuring all policies, requirements and regulations relating to health and safety are always adhered to
16. Designing and running interactive education sessions with schools and groups during weekdays
17. Being flexible in supporting or carrying out animal operations in any collection of the College
18. Any other reasonable duties of a similar nature as required by the Line Manager

General Responsibilities:

1. Promote and implement all College policies, particularly those which refer to health & safety, equality of opportunity and Safeguarding young people and vulnerable adults
2. Participate in College programmes of staff appraisal and continuing professional development
3. Develop effective working relationships internally and with external partners
4. To operate at all times in line with the College's values and behaviours

5. Undertake other duties as may reasonably be required in the interests of the efficient functioning of the College
